

Product Information and Specifications PaperOne™ All Purpose

Perfected for today's modern home & office equipment

PaperOne™ All Purpose is a PEFC-certified premium quality home & office paper for all printing and copying machines. It has super high whiteness and thickness which translates into world-class documents with sharp and clear prints. With ProDigi™ HD Print Technology, it prints better on inkjet color printers using pigmented inks than other regular copy papers.

Features and Benefits

ProDigi™ HD Print Technology

- Enhanced surface technology for better color inkjet/laser printing

PRODIGI
HD PRINT TECHNOLOGY

Environmentally Friendly

- 100% renewable fibres from PEFC-certified plantations
(For more info, please visit www.pefc.org)
- Enables superb duplex (double-sided) printing with great paper feel
- No show-through
- Great print contrast and clarity
- Sharp, crisp and clear print quality with silky paper feel
- Trouble-free performance, jam-free
- Built-in handles for easy carrying, perforated tear strip for ease of access to reams, and unprinted lined area for labeling.

High thickness

High opacity

High whiteness

High smoothness

Precision cut edges

User friendly box

Print & Usage Area

- Pigmented inkjet color printing
- Xerographic Laser monochrome and color printing

Examples of usage areas are office reports, newsletters, proposal copies, graphics, memos, resumes, thesis, essays and letters, etc.
